Plan Duration

Plan duration is for 1 year from enrollment date.

Plan Payment Options

One time yearly payments can be made with cash, check or credit card.

All patient payment portions for additional dental services not included in the preventive care services outlined above are due at time of service in order to receive the 20% discount for additional dental services provided by the plan.

Interest-free payment plans for additional dental services are available on request with approved credit through our affiliation with CareCredit, but the 20% discount would not be applied.

Plan Participation Guidelines

Legacy Dental Health Plan is not dental insurance, but a dental health membership plan provided by Legacy Dental, LLC and is not transferable to other dental offices. The Legacy Dental Plan is only available to patients who do not have existing dental insurance or anticipate discontinuing their current dental insurance. It is solely the patient's responsibility to schedule and keep their appointments. No refunds will be provided for dues paid, including failure to schedule and maintain appointments. Please notify our office at least 48 hours in advance if you must change a scheduled appointment. Fees for dental services may change at any time.
