Uintah Basin Medical Center Golf Classic Raises \$23,200 for Brody's Fund

June 18, 2019: The annual Uintah Basin Medical Center Golf Classic was held on Friday, June 7, 2019 at the Roosevelt City Golf Course in Roosevelt, Utah. This is a highly attended tournament with nearly 300 players each year.

The prestigious event is known for prizes on every hole, delicious food, a note-worthy tournament payout, great registration prizes and a ticket-worthy raffle. A highlight each year also includes the Life Flight helicopter landing on hole #15. This year, every player was given a pullover jacket, insulated mug and golf balls. There was plenty of food available including fruit yogurt parfaits during breakfast provided by the UBTech culinary arts program, smoothies on hole #3 provided by the UBMC OB Department staff, bratwursts and chicken on #8 provided by Mountain America Credit Union, Aggie ice cream on #10 provided by USU, links and burgers on #14 provided by UBH, popcorn on #16 provided by Stewart's Marketplace and street tacos for lunch catered by Woodfire Grill. There were also hole-in-one contests on every par three, with a chance to win two vehicles from Murray Motor and L&L Motor and a Pebble Beach Vacation from Zions Bank.

The tournament is a fundraiser for Brody's Fund, a charity established in 2013 under Uintah Basin Medical Center's 501C-3 which covers medical and funeral costs for families who experience infant loss.

"Brody's Fund", named after Brody Crozier, son of Brendon and Tiffany Crozier was prompted by Brody's grandparents Kelly and Sue Crozier. They had a desire to help other families who experienced infant loss. By reaching out to UBMC with an idea, this fund has grown to provide financial assistance for funeral and medical costs to over 30 local families who have experienced infant loss. By providing financial relief through Brody's Fund, our hope is that families are able to grieve without added financial stress. We are grateful to be able to assist these families while honoring these sweet angel babies.

We are grateful for the support we received from those who sponsored and/or played in this year's UBH Golf Classic. This year's tournament raised \$23,200 for Brody's Fund. Keep in mind that if funds aren't available, we cannot provide the assistance needed to these families. We thank you for your support in making such a worthwhile cause possible.
